TRAINING & EDUCATIONAL WORKSHOPS

"I am so impressed with Doug's teaching style – he is a masterful trainer that knows how to listen and then tailor training to make it unique and relevant to my organization's goals. Doug's training had a huge impact on my teams; they put their new skills into action immediately! He delivers high-caliber research based training with continued follow-up. This is NOT "off-the-shelf" training! Doug is absolutely my first choice for coach training."

- Dr. Kevin Middleton, Chief Operations Manager, Mental Health Network (MHnetwork.com)

Doug and his highly **qualified team of experts** bring a level of enthusiasm and vigor to their training that is both motivational and results-focused.

"Doug can't be beat when it comes to fully engaging and empowering his audience. As the key speaker for our executive teams' "Ignite" sessions, his enthusiastic delivery of significant information turned a somewhat reluctant audience into full believers in the power of great leadership! Doug opens the minds of people to seek and embrace opportunities for growth and development."

- David Fox, President, Advocate Good Samaritan Hospital, Chicago.
